

# How to Apply

Applying in RareJob is easy! Just follow the steps below.

## Registration

Create your RareJob Account by filling out the registration form (Apply Now Page). Upon completing registration check your email for further details.

## Assessment

Log-in using your RareJob account to take and pass the English Proficiency Test. After passing the exam, enlist online for a Demo Lesson schedule.

## Requirements

Submit your Photo, Written and Audio Introduction in the website to complete your profile. This is necessary before you can open your lesson.

## Training

Prepare yourself well by reviewing the Tutor SOPs and FAQs. Access the modules via the links provided in the email.

## Start Teaching

Formalize your RareJob start date by opening you lesson slots. Schedule should be two days in advance.

## Things you need

Laptop or PC, Internet Connection, Skype Account, Headset with microphone and web camera (optional)
